Unfortunately we do not allow thumb tacs or cellotape in the venue and we ask that if you are decorating yourself that you do not attach items onto the paintwork, any of the wooden areas are acceptable but again with no thumb tacs or sellotape. We do not allow Party Poppers in the Venue as once wet they stain the furnishings and floor and cannot be removed

Outside Catering: We do not allow any form of outside catering to be brought in on the premises for consumption, this is in adherence with HSE requirements. We also do not allow Alcoholic Drinks to be brought onto the premises for consumption, there is no exception to this rule

We are happy to customise menus to suit your taste and budget

DJ: DJ's are not included in Celebration prices unless otherwise requested. If you require a DJ earlier or are bringing your own DJ/Entertainment please inform us as soon as possible.

Children/Young People: We ask that you take responsibility of any children/young people attending your party. As it is a busy venue serving hot food, it can be a dangerous environment for children to be running around in. We can provide colours and work sheets at request but we ask you to ensure all children attending are supervised. We can also allow Children to play freely in our spacious garden under supervision. We do not tolerate underage drinking and still maintain the right to refuse service and request ID.
