ÓGRA

ÓGRA Skincare have developed a unique and quite amazing range of skincare products using 9000 year old peat from the bogs of Ireland as one of its ingredients. ÓGRA is the Irish word meaning youth. The peat contained in Irish bogs has amazing preserving properties which contribute to its ability to both combat aging and enhance health. Inspired by this, ÓGRA have created a skincare range that is second to none.

THE HANDMADE SOAP COMPANY.

Made here in our very own town of Kells, we are proud to have the pleasure of using these delightful products. Using only the finest natural ingredients, making new stuff the old fashioned way, The Handmade Soap Company are quickly becoming industry leaders, winning numerous awards for their 100% natural range of skincare products.
