

The Spa Rooms

AT

HEADFORT

ARMS HOTEL

A woman with her eyes closed and a serene expression is lying on her side on a white towel. She is in a spa-like environment, with several lit candles in the background creating a warm, golden glow. The background is filled with soft, out-of-focus bokeh lights, enhancing the relaxing atmosphere. The text "MAKE YOURSELF A PRIORITY" is centered in the upper half of the image in a white, serif font.

SPA CANCER CARE

Headfort Spa is proud to be able to open their doors to those affected by Cancer. We have been highly trained in Oncology Aesthetics by Oncology Training International Ireland.

This certifies that we are educated in safe holistic cancer care treatments. Suitable for Men & Women.

Headfort Spa Rooms welcomes you. These treatments are beneficial complimentary therapies that go hand-in-hand with – and not a replacement for – conventional medical treatment.

They are aimed at easing the pain, discomfort and stress of those who are living with the disease and they can be taken before, during or after their programme of chemotherapy or radiation treatment. The treatments are tailored to each clients exact needs. Spa consultation required prior to treatment.

Cancer care treatments are for those living with cancer or who have had a history of cancer. We do require prior consent from a GP/Consultant for some treatments. We can give our client information for their medical team following their Spa Consultation. A consultation is required prior to treatment, this is a safe non-judgmental discussion.

Your safety is our priority.
